

# OPERATION ST. NICHOLAS 2022 – Wrap up

The joy we see in the faces of children is truly heartwarming.

This year, in an effort to provide gifts and financial support to at-risk children and their families in Ukraine, we launched a financial Operation St Nicholas campaign. The funds raised would go to purchase food for families, medicine for sick children and small gifts distributed to children on St Nicholas Day.

The fundraising target for Operation St Nicholas 2022 was \$7,200 CDN with the goal to send at least \$5,000 USD to Sister Servants Mary Immaculate in Ukraine.

Once again we are overwhelmed by the generosity of our parish families in Alberta who jumped in to support families in Ukraine. Our campaign started on October 23 2022 and the first tranche of funds was sent late November 2022 in time for St Nicholas Day in December 2022. The Sister Servants purchased food for families and distributed throughout December.

The Operation St. Nicholas 2022 organizing committee would like to thank the families of:

- Assumption of the Blessed Virgin Mary Ukrainian Catholic Church in Calgary
- St. Stephen Protomartyr Ukrainian Catholic Church in Calgary
- St. Vladimir Ukrainian Catholic Church in Red Deer
- Ukrainian Catholic Women's League of Canada
- PLAST Calgary

In giving we are not making a donation; we are making a difference!
