“For we are God’s handiwork, created in Christ Jesus to do good works, which God prepared in advance for us to do.” Ephesians 2:10

As the Chair of our Parish Council, I would like to extend an invitation to all those who attend our Parish for an opportunity to meet our current Parish Council members at the Easter Brunch. Our Council is committed to represent all Parishioners, and therefore looks forward to having the opportunity to meet those in our Parish during the “Meet & Greet” event that happens in parallel with the “Easter Brunch”.

Over my time being involved with our Parish Council (starting into my 3rd year), the level of commitment which has been displayed by those in Parish Council was encouraging, and I continue to see the same level of commitment by those who are currently representing our Council. Therefore, I would kindly ask Parishioners to be supportive of our Parish Council over the next year by getting involved in our Parish in any way possible according to each person’s ability.

At this time, I would like to “Thank” everyone who is involved with our Parish. From affiliate groups, to special committees, to volunteering each time a sign-up sheet gets posted in the atrium. All your efforts are appreciated by the Parish and help in making our Parish Family stronger. If we all focus on how we can keep increasing the strength of our Parish Family, I believe that we won’t be disappointed with the results. Just as any family prays for each other’s well-being, we too can be encouraged to do the same with our Parish Family. Let’s keep each of us in our Parish Family in our prayers to help each other through challenges, and be Thankful for successes as well.

In closing, I wish everyone in our Parish Family a blessed Easter Season. One which can allow us to see that Jesus loves us the most, and that he is “as alive today” as he was on the first Easter Sunday morning.
