Pray for Ukraine!

**Thank you
for the prayer service
for the people of Ukraine
Hosted by St. Basil's**

O God who brings the light out of darkness, grant that those on whom this war has laid the burden of sorrow, may thereby be drawn closer to You and may set their affections firmly on things above, so that in the time to come they may serve You with a perfect heart. Stretch forth the right hand of heavenly assistance, and grant the victims of war safety and protection, through Jesus Christ our Lord. Amen.
